CAMP PHILOSOPHY

Thomas More University Football Camp is designed to provide area athletes with 12 hours of instruction in all phases of football: Offense, Defense and Special Teams.

This camp works on the fundamentals of football. We focus on teaching young players the techniques they will need to develop their game.

We also instruct players about dedication and team work. We strive to make this camp not only a learning experience but also a chance for campers to compete against each other with daily competitions. Campers are grouped according to their ages to allow them to compete against other campers of their skill level.
