

“Once an Eagle, Always an Eagle” Scholarship

2025

We are incredibly proud to announce **Madelyn Prather** as the inaugural winner of the 2025 Taylor Mill Eagles “Once an Eagle, Always an Eagle” scholarship!

Maddy has been a part of the Eagles family since she was a young girl, developing her love for cheerleading within our organization. She carried that passion through Scott High School and will continue her cheerleading career at Northern Kentucky University.

This scholarship recognizes not only Maddy's athletic and academic excellence—she consistently finished at the top of her class—but also her remarkable selflessness and commitment to our community. Throughout her high school career, Maddy always returned to help our cheerleaders, from preseason clinics to volunteering her time to EVERY girl into a build during our 2023 basketball season's halftime performance. During the 2024 football Little Eagle Night, she went above and beyond, insisting on cheering with our girls rather than just watching, making sure they had a truly memorable experience.

Maddy truly exemplifies the meaning of "Once an Eagle, Always an Eagle." On behalf of our entire organization and community, we extend our heartfelt congratulations and wish her the very best of luck at NKU!
